THREE PEOPLE WORKING SO YOU CAN BE PRESENT

The route is led, the moments are captured, the story is edited.

TRIP CAPTAIN

Has done the route already.
Manages timings, operators, decisions and the social energy of the group.

PHOTOGRAPHER

Captures candid travel moments, clean portraits and the group frames nobody wants to miss.

CINEMATOGRAPHER

Films movement, atmosphere and vertical travel footage while you stay inside the experience.

NO NEED TO CHOOSE BETWEEN LIVING THE MOMENT AND RECORDING IT.

CHAPTER ONE / THE CREW FORMS

Every day earns its place in the story.

ONE HERO MOMENT. ONE STORY WORTH KEEPING.

DAY 1

PHUKET

THE GROUP CHAT BECOMES REAL

You land with names from a WhatsApp group. By dinner, the awkwardness has disappeared. Your captain sets the tone, introduces the crew and leads the first night into a curated Phuket pub crawl.

HERO MOMENT

Welcome dinner -> Phuket pub crawl

WHY IT MATTERS Your people and the plan are already waiting.

DAY 2

PHUKET

COOK TOGETHER. SLOW DOWN TOGETHER.

After a late breakfast, the crew learns Thai flavours around one cooking table. The shared meal turns early conversations into easy friendships, followed by beach time and a foot massage.

HERO MOMENT

Hands-on Thai cooking table

WHY IT MATTERS Shared creation builds connection without forcing it.

CHAPTER TWO / THE TRIP PEAKS

Every day earns its place in the story.

DAY 3

PHI PHI

CHASE SUNSET INTO SUNRISE

The ferry opens into Phi Phi's island energy. Settle in, reach the viewpoint for golden hour, watch the fire show and follow the music for the trip's biggest night – all the way to sunrise if you want it.

HERO MOMENT

Phi Phi fire show + sunrise party

WHY IT MATTERS This is the night that turns the group into a crew.

DAY 4

PHI PHI

SWIM INSIDE THE POSTCARD

A slow morning protects the mood. At 1 PM, the boat leaves for Maya Bay, Pileh Lagoon and Monkey Beach, with snorkelling, blue water and the best light of the day stretching toward sunset.

HERO MOMENT

Maya Bay + Pileh Lagoon

WHY IT MATTERS Careful timing makes an iconic day feel spacious.

CHAPTER THREE / THE FINALE

Every day earns its place in the story.

ONE HERO MOMENT. ONE STORY WORTH KEEPING.

DAY 5

KRABI

CHANGE ISLANDS. KEEP THE RHYTHM.

Move to Krabi without rushing the transition. Reset at the hotel, meet again for Ao Nang sunset and follow your captain through a night-market trail of street food, colour and easy conversation.

HERO MOMENT

Ao Nang sunset + night-market trail

WHY IT MATTERS A softer day keeps the crew fresh for the finale.

DAY 6

KRABI

ONE LAST PERFECT ISLAND DAY

A long-tail boat takes the crew to Railay. Swim, slow down and let the content team capture the final beach story. Return for a full-body massage, farewell dinner and one last night together.

HERO MOMENT

Railay by long-tail boat

WHY IT MATTERS The finale feels complete, not exhausting.

YOU LIVE IT. WE CAPTURE IT.

Your trip should leave you with more than camera-roll clutter.

A CONTENT TEAM TRAVELS WITH YOU

Candid photography, atmosphere-led video and social-ready travel moments – without turning the holiday into a shoot.

EDITED PHOTOS

Selected candid, portrait and group images.

VERTICAL CLIPS

Short-form moments designed for social posting.

TRIP STORY

A cinematic recap that brings the week back.

DAY 7

TAKE THE CREW HOME WITH YOU

Breakfast, check-out and airport transfers close the route. The final group frame is captured before everyone leaves, while edited travel content follows after the trip.

Asset selection, quantity and delivery timeline are confirmed in the booking invite.
